

PREMIUM SYNTHETIC TURF - SCHOOL OVALS - ATHLETICS - SPORTS FIELDS

**WE GUARANTEE 100% SATISFACTION WITH OUR HIGH QUALITY PRODUCTS AND PROFESSIONAL INSTALLATION SERVICE.**

SAFE RUBBER SURFACING uses synthetic surfaces manufactured by GRASSMAN® - Australia's Leading Synthetic Turf Manufacturer. Made in Australia with the highest quality UV stabilised materials developed to withstand our harsh climate. Our products carry industry leading 7 year warranties and will last for more than 15 years in most school applications.

- NO WATERING, NO MOWING
- NO CHEMICALS OR PESTICIDES/FERTILISERS
- LEAD AND HEAVY METAL FREE
- 7 YEAR MANUFACTURERS WARRANTY
- INBUILT PLAYING LINES FOR MULTI-SPORT AREAS

*Proudly Supported By:*

Multi-scape 19

**19mm Pile Height** - Perfect for multi-purpose playing areas in schools. A safe and cost effective alternative to asphalt or concrete. Made with inbuilt playing lines for any sport. Comes in a variety of colours. Australian made with a 7 year manufacturers warranty.

Summer Breeze

**40mm Pile Height** - Looks and feels like natural grass. Used for large ovals and play areas where natural grass may be difficult to maintain. Safe, low maintenance waterless lawn. Australian made with a 7 year manufacturers warranty.
